

## Fostering Entrepreneurship - Catalysing Township Economic Growth

**City of Ekurhuleni, June 25, 2024** – We are thrilled to announce the upcoming [Township Economies Conference and Expo](#), an event dedicated to fostering entrepreneurship and catalysing economic growth in township communities. Scheduled to take place on 30 – 31 July 2024 at Emperors Palace in the City of Ekurhuleni, this event aims to empower local businesses, inspire innovation, and drive sustainable development within township economies.

### Fostering Entrepreneurship: Catalysing Township Economic Growth

Township economies are a vital part of our national landscape, brimming with potential and opportunities for growth. The Township Economies Conference and Expo will bring together entrepreneurs, business leaders, policymakers, and investors to explore and develop strategies for enhancing the economic prospects of these vibrant communities.

### Key Highlights of the Event:

- **Inspiring Keynotes:** Gain insights from industry leaders and successful township entrepreneurs who have navigated the challenges and opportunities unique to township economies.
- **Engaging Panel Discussions:** Participate in thought-provoking discussions on critical topics such as access to finance, digital transformation, sustainable business practices, and policy support for township businesses.
- **Expo Showcase:** Discover a wide range of products, services, and innovative solutions tailored to meet the needs of township businesses. The expo will provide a platform for local entrepreneurs to showcase their offerings and connect with potential partners and investors.
- **Networking Opportunities:** Build valuable connections with like-minded individuals, industry experts, and potential collaborators. Networking sessions will facilitate the exchange of ideas and foster partnerships that can drive business growth and community development.
